

Fancy Tree

Music and lyrics by Bernadette McCoy © 2006

I'm a very fancy tree
All red and green you see
But when autumn comes around
All my leaves fall to the ground

With the spring, sun and rain
All my leaves grow back again
My lovely flowers I must say
Will surely take your breath away

I think it's good to have a rest
If you want to look your best
Then I'm sure that you'll agree
That I'm a very fancy tree
