Come and play
Play with me
Jump up and down
Jump with me
Run and hide
Run with me
Peek-a-boo
Can you see me

You are my best friend
I love to play with you
You make me happy
That's what best friends do

Sit and talk
Talk with me
Share my food
Eat with me
Dig the sand
Dig with me
Hold my hand
Walk with me

You are my best friend
I love to play with you
You make me happy
That's what best friends do

You are my best friend
I love to play with you
You make me happy
That's what best friends do
